BIOGRAPHY

Ken Huang received MA from Case Western Reserve University in 2004 and his studies concentrated on judicial politics, U.S. medical policy analysis, and SPSS statistic analysis. With a good knowledge in law, Ken joined McLarens in 2006, dealing with Property and Liability Claims. Ken's experience encompasses a wide range of claim matters with emphasis in comprehensive general liability and professional liability i.e. fidelity claim. In recent years, he mainly focus on handling product liability, High Tech E&O, product recall, and product guarantee claims. In the property loss field. He is familiar with technical property losses. He was also dispatched to Japan to support the Japanese catastrophe teams following the Tsunami in March 2011, and also to Thailand to support Thailand teams following the Thailand floods in around June 2011.
