BIOGRAPHY

Joshi started his career as Loss Adjuster in 1997 and worked for 5 years in India. He moved to Kuwait in 2002 and worked with a regional adjusting firm, as a general adjuster handling a wide-ranging portfolio of commercial property claims.

In 2010, he assumed the position of Branch Manager – Al Khobar (KSA) with an international loss adjusting firm handling claims in different classes of insurance.

Joshi joined McLaren in Saudi Arabia in August 2012 as Eastern Province Manager. Later in 2017, he joined the McLaren UAE as Senior Technical Manager.

Joshi has acquired rich experience in handling claims in various lines of business – commercial, EAR/CAR, Oil & Energy, Liability, and Marine port property & projects.
