

# Introducing McLarens Aviation

# 50 years... and counting

Over the past 50 years Airclaims has built a trusted reputation for delivering reliable and innovative solutions to the aviation industry.

In 2011, Airclaims joined forces with international loss adjusting firm McLarens. The merger greatly extended the company's [global reach](#). Airclaims is now part of a global network of over 300 offices. This strategic union is playing an important role in Airclaims' ongoing efforts to provide a [local presence](#) and [rapid response](#) to the needs of the aviation industry.

Moving forward post merger, to better reflect the expanded resource gained by joining McLarens, Airclaims will now be known as **McLarens Aviation**.

# New name

# Same pledge

2014 marks the company's 50<sup>th</sup> year of service to the global aviation industry. As McLarens Aviation looks forward to the next 50, it is clear that the industry is changing.

Increasing numbers of underwriters, brokers and self-insured companies worldwide are demanding more uniform and streamlined claims management services. McLarens Aviation is committed as a business to meeting these requirements both now and in the future.

Integrating with McLarens has meant upgrading systems, streamlining processes, a deepening of the knowledge pool and expanding of the global network. For clients this means simpler, more consistent delivery of service, underpinned by an unrivalled level of quality.

The pledge to provide an unparalleled level of service to clients remains unchanged. McLarens Aviation will continue to work tirelessly towards the vision of becoming the service provider of choice in every aviation market.
