### BIOGRAPHY

Robert began his insurance career in 1995 from an entry-level property claims representative and has progressed through the ranks as a general adjuster. He has extensive experience in residential and commercial property lines. He has worked for insurers and third-party administrators. Robert also has an extensive background in handling hurricane and other CAT losses. He has served catastrophe duty for Hurricanes Charlie, Katrina, Rita, Wilma, Ike and others. Prior to joining McLarens, Robert was with other insurance company handling all types of property losses and residential claims. He worked for 10 years at a leading, multi-line global insurer where he focused on complex and commercial property claims adjustment.

At McLarens, Robert handles TPA, Property, and Product Liability claims and continued to apply the same knowledge and experience to the benefit of our clients when working insurance claims.
