

## PRESS RELEASE

### McLarens appoints Stuart Williams in Cardiff

International loss adjuster McLarens has announced the appointment of Stuart Williams as an Executive Adjuster in its Cardiff office. A well-known adjuster in South Wales and within his home city of Cardiff, Stuart is ACILA and ACII qualified, with over 20 years of adjusting experience. He joins from Cunningham Lindsey and will report to Mike Rosthorn, Regional Manager for McLarens in the South West.

Stuart started his insurance career as a claims technician in the mid 1980s working for Norwich Union (now Aviva). He entered the adjusting profession shortly afterwards, joining the Thomas Howell Group as a trainee adjuster and working across a broad spectrum of domestic and commercial claims. In 2002 he moved to Cunningham Lindsey to focus on commercial and high value domestic claims, developing a specialism in commercial property losses across a broad range of sectors.

**Mike Rosthorn, Regional Manager for McLarens South West, commented:** "Our clients demand local knowledge, technical skill and excellent customer service, so it's vital that we attract the best local talent. Having someone of Stuart's calibre and experience on board will make a huge impact to our business and its continued growth."

**Nigel Clarke, Executive Director for McLarens, added:** "The South West and Wales is an important region for our UK business and our proposition is very much focused on the team of adjusters we have in place there. It's taken us a while to find a suitably qualified, local adjuster with Stuart's level of technical expertise, so we are delighted to have him with us!"
