BIOGRAPHY

Jeremy began his adjusting career with a premier independent adjusting firm in 1996. Over the past 24 years, he has adjusted personal and commercial lines property claims for two independent firms as well as an insurance carrier, supervised a regional claims department at the same carrier, operated as a broker-side claims advocate for large property and renewable energy clients, and managed the marketing and underwriting for a state book of business at an insurance carrier.

He has an extensive background in handling large and complex commercial, industrial, and residential property claims and holds licenses in multiple states.

Jeremy is involved with the Middle Tennessee CPCU Chapter. He joined McLarens in 2019.
