

MCLARENS EXPANDS ITS AUSTRALIAN PRESENCE TO ADELAIDE, SOUTH AUSTRALIA

(March 2020) McLarens, a leading, global independent insurance services provider has announced the opening of its operation in Adelaide, South Australia. Chris Martland, a Chartered Loss Adjuster with extensive major and complex loss experience is also joined by Adelaide loss adjuster, Chris Macdonald.

In addition to this new location, McLarens' growing presence in Australia consists of more than 40 loss adjusters and surveyors across seven strategically located offices including Sydney, Melbourne, Brisbane, Perth, Newcastle, and Bryon Bay to give comprehensive coverage across the region. The Australian team boasts deep property expertise, as well as extensive and valuable experience across a range of specialty practices, such as construction, natural resources, liability, forensic accounting, marine and transit.

Martyn Wicht, Regional Director of McLarens, commented: "We are very pleased to expand our services to Adelaide and are delighted to have Chris Martland and Chis Macdonald join the McLarens team. They are both very well regarded, and we are fortunate to have such experience leading out our presence in Adelaide."

The new office is located at Carrington House, Suite 3, 61-63 Carrington St, Adelaide, 5000.

About McLarens:

McLarens is a leading global provider of loss adjusting and risk management services. The company's international footprint, which includes offices and operations strategically located in 39 countries, enables it to provide streamlined consistent service to global customers, while at the same time delivering local expertise and responsive service. Founded in 1931, the company's focus has

historically been claims management services for complex, commercial and niche markets, as well as auditing and pre-risk surveying. The company's expert adjusters have an average of over 20 years' claims experience, operating across a range of industries with specialties including: Property, Crisis Management, Natural Resources, Construction & Engineering, Natural Resources, Agriculture, Aviation, Casualty, Marine, FAJ & Specie, Global TPA Services. To complement our claims services, McLaren's began expanding its suite of risk management services in 2019, with the acquisition of American Environmental Group, which offers a range of indoor air quality and environmental consulting services.
