### BIOGRAPHY

Thomas began his career in the Mining Industry with Peabody Energy, earning his Diesel Mechanics trade in 2012.

In 2018, Thomas graduated from the University of Wollongong with a Bachelor of Engineering (Hons), specialising in Mechanical Engineering.

In the same year, Thomas returned to Peabody Energy, in a role that oversaw mechanical reliability and asset management in one of Australia's lowest-cost coal mining operations.

Thomas is stepping into his debut loss adjusting role with McLarens in 2020, and is studying for his Diploma in General Insurance.

Thomas is involved in Engineers Australia.
