Computer & IOT Device Technology

### BIOGRAPHY

Robert is a legacy adjuster who began his career as a property adjuster at Vericclaim / Sedgwick in 2017 where he stayed until 2019. There he worked closely with Senior Executive General Adjusters to learn the many complexities of commercial property claims. Robert joined McLaren as a Senior Adjuster in February 2021, where he is handling claims in the Los Angeles region. Robert plans to continue refining his knowledge of commercial property losses and has ambitions to handle large losses involving manufacturing operations.
