### BIOGRAPHY

A passionate Management Information (MI) and analytics leader, with notable expertise in leading complex analytical and regulatory projects, Jennifer has a wealth of experience across operations, building and embedding IT and business solutions, and delivering digital transformation programmes.

Jennifer started her career in the world of Insurance and data at Crawford & Company back in 2008, and has since been successful in various data, MI and reporting roles at brokers and insurers. These roles have involved delivering to internal operational and executive customers as well as regulators and external Clients, for all aspects of the insurance life cycle.
