BIOGRAPHY

David is highly skilled with proven repeated success in negotiating proactive settlements, managing allocations of major and complex issues, and delivering exceptional customer service. He is accountable for arranging, and completing internal audits, and contributing to external audits of suppliers and brokers. He is detail-oriented professional that operates within regulatory frameworks, identifying, and escalating any risks to the business.

David is a dedicated team player with collaborative leadership style, coupled with excellence in interpersonal, communication, negotiation and presentation skills. He is experienced in providing effective management support and a track record of supporting and coaching within a commercial environment.
