BIOGRAPHY

David is a Chartered Loss Adjuster with over 30 year's loss adjusting experience specialising in Material Damage, Liability and Contract Works. Commencing his career with McLarens after completing NZCE (Civil Engineering) stage 1, David has adjusted many complex and high value losses.

He is an Associate member of the Australasian Institute of Chartered Loss Adjusters, a Senior Associate of the Australian and New Zealand Institute of Insurance and Finance, a Certified Insurance Professional and member of the New Zealand Insurance Law Association.

David has been recognised for his technical and case management skills as technical team lead during and following the Canterbury earthquake. He provides training and advice to staff around New Zealand and industry groups.
