BIOGRAPHY

John joined McLarens in May 2017 with over 30 years of experience in property claims management including catastrophe, residential, and municipalities. Prior to McLarens, John worked for Allstate Insurance as a large loss adjuster for 15 years, before moving up to work on their CAT team for 16 years, including working Hurricanes Irma, Michael, Sally, and Ida.

While at Allstate he also oversaw vendor claims, Pilot Catastrophe Services, and large loss CAT claims as part of the Vendor Oversight team. In his professional career, John has worked in excess of USD 1.6 million in apartment fire losses. John also has experience in slip/fall liability claims management.
