Financial Lines – Latin America & The Caribbean

Tailored solutions for financial lines portfolios

McLarens is a global claims service provider that has been working in the region for over 30 years. Today, we operate from 15 locations in Latin America and three in the Caribbean.

Our licensed, qualified and multi-lingual adjusters with financial lines experience based in Miami, Puerto Rico, Colombia and Argentina work in cooperation with our other local offices; all well versed in the legal landscape and social and cultural mores of a particular jurisdiction.

Global oversight is provided through London.

Why Us

McLarens offer a collaborative, team-based approach.

- Local personnel, regional expertise and global coordination
- Providing clients with enhanced agility at a lower cost than the home foreign model
- Visible and contactable throughout the claims process to build trust and encourage communication
- Innovative use of technology to accelerate claim investigations

A Holistic Service

- Guidance for proof of loss submissions and associated time frames
- Forensic accountancy expertise for accurate loss quantification
- Understanding different legal provisions in the region
- Identify potential for recoveries (e.g. assist tracing; third-party liability; criminal/civil action)
- Comprehensive reporting to international standards

Digitally Enabled

A digital platform offering clients and their customers a complete and transparent view of our investigative process:

- Virtual data rooms
- Auditable evidence collection workflow
- Enterprise-grade security and end-to-end-compliance
- Variable access permissions available to all stakeholders
- Automated notifications
