

MCLARENS STRENGTHENS ASIA TEAM WITH SENIOR APPOINTMENT

SINGAPORE – MAY 2022: In line with continued growth in Asia, global insurance services provider McLarens has appointed **Paul Hough** as **Technical Director – Asia**. Based in Singapore and reporting directly into **Mike Campbell-Pitt, Regional Director – Asia**, Paul will take responsibility for leading and enhancing McLarens’ technical and complex loss capability within the region.

Paul joins McLarens from an international adjusting firm where he held the role of CEO for Singapore. He brings 30 years of loss adjusting experience having entered the profession in 1992 after a ten-year career in the engineering industry. During that time, he has held several leadership roles at international adjusting firms including Technical Director and President Director.

Paul specialises in handling large and complex claims across a wide variety of claim types including power, machinery breakdown, construction and engineering and natural catastrophes.

Paul Hough, Technical Director – Asia, McLarens: “McLarens is an industry leader in specialty adjusting services worldwide, with a reputation for quality and technical excellence. I am pleased to take on this role and to be working with the team across Asia to expand and enhance our complex loss offering in the region.”

Mike Campbell-Pitt, Regional Director - Asia, McLarens: “Paul brings a wealth of experience and will be instrumental in McLarens’ efforts to grow our technical and major loss capability across the region. We are delighted to have him on board.”
