### BIOGRAPHY

Tamaryn graduated from NUI Maynooth with a First Class Masters Degree in 2006. Tamaryn then commenced her career with a large liability insurer where she gained experience across property damage, commercial liability and professional indemnity claims in both the Irish and UK markets.

During her following 16 years in the industry, Tamaryn acquired further experience in the legal department of a major multinational retailer before joining a niche loss adjuster where she was the account handler for a number of bespoke risks including large hospitality clients, as well as a major Irish theme park operator.

Throughout her career, Tamaryn has also gained considerable experience in risk and claims management within captive and non-captive insurance arrangements.
