BIOGRAPHY

Nick Schneider, a Certified Public Accountant licensed in Illinois and a Certified Fraud Examiner, is experienced in assisting clients with forensic accounting and consulting services related to insurance claims, including complex property and business interruption claims for insured businesses, as well as product recall, cyber and fidelity bond claims.

Skilled at evaluating inter-dependency losses pursuant to direct physical damage and contingent business interruption, Mr. Schneider has worked with Fortune 100 companies, manufacturers, and retail businesses in preparing and substantiating complex claims and analyzing losses from insured catastrophic events. Nicholas joined McLarens in October, 2016.
