- Virtual data rooms
- Auditable evidence collection workflow
- Enterprise-grade security and end-to-end-compliance
- Variable access permissions available to all stakeholders
- Automated notifications

## Our Services

### Full Service

A traditional 'cradle-to-grave' appointment. Review of proposal/application form representations and identification of relevant policy terms and conditions. Updates every 30 days and full format reporting.

*Fee Basis: Hourly Rate*

### Factual Investigation

A thorough investigation of the notified incident, transcribed into a circumstances-only report for clients to examine pursuant to policy terms and conditions.

*Fee Basis: Time & Expense*

### Proof of Loss Guidance

Provide guidance, and ongoing assistance, in order for the Insured to prepare a sworn proof of loss (or similar) with supporting documentation.

*Fee Basis: Hourly Rate*

### Ad-Hoc Services

Services to supplement a client's day-to-day case work (e.g. translations or quantum assessments).

*Fee Basis: Hourly Rate, Capped*

nigel.collins@mclarens.com

// We recognise that not all notifications require the same service. Perhaps it is an SME client that needs more guidance; perhaps the incident is sensitive. That's why we offer our clients a range of services.
