14 Years

BIOGRAPHY

Azlan graduated from Universiti Teknologi Mara (UiTM) with a degree in Insurance. He briefly joined an international insurance broker mainly involved in servicing and handling client's claims. He commenced his career in loss adjusting in 2008 with a few international loss adjusters in Kuala Lumpur, Malaysia.

Throughout his years in this industry, he has vast experiences and exposures in handling various types of losses that includes property, financial, fidelity, engineering, machineries and other types of claims for both personal and commercial losses. He has also involved in major catastrophe flood claims in Malaysia in 2010, 2014 and 2021.
