30 Years

### BIOGRAPHY

Began his involvement in the insurance claims industry as a summer employee while attending the University of Western Ontario. In 1992 he began full time employment working on both property and casualty losses, developing a specialized knowledge in Entertainment and Contingency Markets. Between 1998 and 2001 he oversaw the day-to-day operations of Gaebel, Watkins and Taylor New York City offices. After returning to Canada he resumed as a leading expert in Entertainment and Contingency losses both locally and through out the world representing various carriers worldwide in the fields of Motion Picture and Television Production, Non-Appearance, Event and Venue Coverage, Theatre, Music, Photography, Prize Indemnity, and Over Redemption. Neil is a current and three time president of the North American Contingency Association.
