ADJUSTER EXPERIENCE

12 years

BIOGRAPHY

Graeme began his career in the construction industry and was employed in several capacities obtaining a wide range of skills and experience on both domestic and commercial property renovation and restoration.

During the time he studied part time and gained an HND in Construction and the Built environment. Graeme started his career in the insurance industry by becoming a Servicemaster Restoration franchisee in 2010 and qualifying as BDMA Technician, Graeme owned and operated that business till he sold the franchise in 2018.

In 2020 Graeme Joined ISS Restoration as a property team leader project managing a wide variety of claims. He is also involved with the British Damage Management Association.
