ADJUSTER EXPERIENCE

29 Years

BIOGRAPHY

Robert started in casualty claims and handled over 2,000 car accidents to include first and third party claims, represented and non-represented claimants, and insured and non-insured motorists. He received his Associate in Claims and Chartered Property Casualty Underwriters designations during this time, as well as certifications in Applied Structural Drying and Water Restoration Technician. Robert was selected to work in Special Investigations due to his attention to questionable providers and ability to spot patterns treatment and relationship patterns quickly.

After his work in casualty, he began his work in property claims as a field adjuster. Robert worked catastrophe claims for Hurricane Katrina and Rita for S&S claims for State Farm. In 2015, Robert went back to school to earn his MBA at Illinois State University. He then joined McLarens in September 2016 as a General Adjuster.
