BIOGRAPHY

Camilo obtained a Bachelor of Science degree in electrical engineering at the Far Eastern University in Morayta, Manila.

He started his working career in January 1989 as a cargo surveyor but has also handled property and liability claims. He joined MYI Insurance Adjuster Philippines Inc and handles marine and non marine claims for both the local market and international insurers. He will soon obtain his marine license having successfully completed the necessary examination requirements.

ADJUSTER EXPERIENCE

33 years
