Block

### BIOGRAPHY

Manoj is a qualified Engineer with over 15 years of experience in Loss Adjusting, with the past 11 years in United Arab Emirates. He started his loss adjusting career in India with the largest loss adjusting company having a pan India presence. After working for more than 5 years in India he moved to Abu Dhabi as a Loss Adjuster in Cunningham Lindsey. Since then, he has worked in the UAE market handling claims around the region.

Manoj has also worked in the engineering industries in India for a period of 2 years after completing graduation.

Manoj is responsible for handling a mixed portfolio of losses including Property All Risks, Engineering Policies including EAR/CAR, Machinery Breakdown, Contractors' Plant & Machinery, Energy Insurance Policy and Related Liabilities.

He has handled various types of claims in Power Plants and specializes in assessment of major losses in the Construction Projects, High Rise Towers Fire and Machinery Breakdown in the industries.
