BIOGRAPHY

More than 20 years ago, Simone started in a supportive administrative position for personal injury adjusters at Van Kouterik Personenschade, now Dekra Personenschade.

Over the years, she was trained both internally and externally to become a claims handler and Personal Injury Adjuster.

Simone has experience in circumstantial investigations and handling various claims, including private claims (AVP), traffic claims, foreign claims, corporate liability (including handling personal injury claims from customers and employees off a large supermarket chain in the Netherlands), employers liability and medical liability.

QUALIFICATIONS

- NIBE-SVV
- OSR
- Symposia and congresses related to medical liability, medical subject insurances, employers' liability and assessment of damages.
- Simone has completed the training programme for NIVRE registration.
