ADJUSTER EXPERIENCE

25 years

BIOGRAPHY

Matt commenced his loss adjusting career in 1998 with a major loss adjusting firm in Sydney before relocating to the Northern NSW/SE Queensland region in 2008.

He has extensive experience in loss adjusting and management and has been deployed to both adjust and manage numerous local and international catastrophe events.

Matt has grown long-term, loyal industry relationships across many aspects of the commercial claims market, together with other specialist classes.
