### ADJUSTER EXPERIENCE

10 years

### BIOGRAPHY

George graduated from Sichuan University in 2013 with a bachelors degree in material forming and engineering control. After graduation, George joined an international Loss Adjusting company, based in Sichuan, as a Loss Adjuster. George assisted in many major claims, including 'Typhoon Buffet' and major landslide cases in Sichuan.

George joined McLarens in November 2015 as a Loss Adjuster in the Non-Marine department.
