36 years

### BIOGRAPHY

Dave began his adjusting career with Liberty Mutual Insurance in 1987. Prior to joining McLarens, he was a Regional Large Loss Adjuster with Fireman's Fund Insurance Company. In addition, he has held various adjusting and management positions at Allianz, CNA Insurance, and at other independent adjusting firms.

David has over 27 years' experience in the insurance industry specializing in commercial property claims, including manufacturing, equipment breakdown, builders risk, real estate, and business interruption losses.

In addition to his ability to successfully manage extremely complex claims, his experience also includes reinsurance, advanced coverage analysis, and layered programs.

### NOTABLE ASSIGNMENTS

- Hospital in California: Builder's Risk due to significant water and mold damage during construction project (USD 7.5 Million)
- Construction Company in California: Builder's Risk claim during re-powering project (USD 6.7 Million)
