BIOGRAPHY

Kagen graduated from China University of Geosciences in 2016, with a bachelor degree in engineering management.

From November 2015 to March 2016, Kagen was an intern at Sino-Hydro 6th Bureau as a technician, during which time he gained knowledge in engineering projects, on-site inspections and manufacturing.

Kagen joined McLarens in May 2016 as a Loss Adjuster in the Non-Marine Department.

INDUSTRY CERTIFICATION

- CIRC Licensed Adjuster
