

Commercial Property

The McLarens Commercial Property Team is skilled in providing first-class management of large & complex claims including, multiple stakeholder management and validation of indemnity spend. Our Property Claims Management program covers:

- Efficient loss mitigation
- Reliable loss valuation
- Prompt & clear reporting
- Business interruption assistance
- Multiple disciplinary approaches to a major loss
- National resolution teams
- Integrated recovery support

The team understands the impact of a loss on a business and acts decisively. With clear communication and addressing issues quickly, we can ensure an assets prompt return to productivity and significantly cut the cost of a property loss. Our claims processes focus on taking genuine care of clients.

We are incredibly proud of our multi-disciplinary approach to large & complex property claims at McLarens. Internally, our Commercial Property Adjusters collaborate with our Quantity Surveyors, Casualty team, along with our Forensic Accountants and Engineers, allowing us to develop outcomes to reduce overall exposure to a loss and therefore produce a superior result.

If required on a Commercial Property loss, we are also able to appoint external specialists such as:

Engineers

- Validation of damage to machinery
- Managing the repair/ replacement process, including short term hire needs
- Sourcing repairers and new and second-hand replacement suppliers
- Sourcing potential salvage buyers

Building Consultants / Quantity Surveyors

- Emergency loss mitigation measures
- Managing the building reinstatement aspect, including tender review
- Building regulations, Listed and Heritage status review
- Programming and cost control processes.

Our Commercial Property Loss Adjusters put businesses and people's lives back together with clarity, trust, and sensible solutions to give excellent customer outcomes.
