BIOGRAPHY

Gabriel joined McLarens in 2018 with the primary focus on Domestic and International property claims. Gabriel was part of the first response catastrophe team during Hurricane Dorian assisting in Residential and Commercial claims.

Gabriel's business experience has provided him with knowledge in the financial sector, construction business and commercial property industries.

He is experienced in estimating both, residential and commercial property claims, he has an understanding of industry estimate pricing by cities, states and countries.

Gabriel has a clear understanding of adjusting, required claims time frames and insurance company guidelines for processing claims. He holds active adjuster's licenses in twenty two States and is legally authorized to adjust in 36 States. He speaks and writes in English and Spanish fluently (College Level). Gabriel is an awarded United States Veteran who served during Operation Enduring Freedom and Operation Iraqi Freedom and was awarded the Navy and Marine Core Achievement Medal, Good Conduct Medal, he received a letter of commendation from the Commanding Officer and a letter of appreciation from the Air Department Head during his tour to Afghanistan with an honorable discharge in 2004. He holds a bachelor's degree in Business Management and has participated in management business building blocks seminars with expertise in leadership development training.
