### BIOGRAPHY

An extremely versatile and results-oriented National General Adjuster with over 27 years of experience, Michael Cygan joined McLarens in 2022 to continue his career in the insurance industry.

Michael has an extensive background in construction including residential, commercial, industrial, government, retail, and multi-family structures. His past insurance experience includes Project Manager – Restoration Contractor, Staff / Carrier Large Loss Adjuster, Licensed Public Adjuster, and Independent National General Adjuster. Michael excels at managing multifaceted large loss and or complex claims that require the ability to define the problem, perform an in-depth investigation, and draw valid conclusions in order to make decisions requiring a high level of judgment. Previously, Michael has been recognized by leadership for consistently producing a high-quality product and how he takes pride in exemplary customer service.

Michael enjoys the interactions with individuals at all levels that his role provides, and his established track record of cultivating and supporting relationships while providing premier customer service.
