ADJUSTER EXPERIENCE

32 years

BIOGRAPHY

Tim has served the insurance industry for over 32 years. He spent his career working for a large national insurance carrier where he advanced quickly and developed loss adjusting skills in the commercial loss discipline with an emphasis in business interruption. As Tim advanced, he became heavily involved in the handling of large municipal entities, universities, hospitals, real estate, manufacturing, hospitality, mining and other specialized risks.

Trusted with some of the largest risks in North America, Tim is a notable and recognized loss adjuster in the commercial insurance industry. His highly effective adjustment style and techniques have led to his appointment on various major accounts including Fortune 500 and 1000 companies as well as Municipal entities.

He made the move to a national loss adjusting company where he is now utilizing his multi-decade skillset to service some of the nation's largest clients. He works as a National General Adjuster across the county servicing claims of the highest technical magnitude.
