Construction & Engineering

ADJUSTER EXPERIENCE

15 Years

BIOGRAPHY

Mr. Thuy is a Civil Engineer who trained at the University of Transport and Communication. Previous industry experience involved working for Bridge – Highway Consultants in Transport Engineering Design Joint Stock Inc. South (TEDI South) from 2002 until 2008.

Thuy was involved in preparing design particulars for projects such as bridges, road intersections, interchanges, drainage systems and ground improvement schemes. He has detailed experience in the technical aspects of projects from initial groundwork through to commissioning and testing.

In 2008, he joined McLarens Vietnam Ltd as a Loss Adjuster and is now as a Director of the Vietnam Company. He has handled various types of large claims involving construction, engineering and material damage losses.
