### BIOGRAPHY

After completion of her graduation in 2007, Monica started her career with SGS as an Inspection Engineer. She entered loss adjusting field in 2015. Since then, she has managed various claims including Property, Marine & Engineering & also experience in loss settlement of handling catastrophic losses like Chennai flood and Maharashtra flood.

Presently, she is responsible for operations in Mumbai and west regions. She is supervising Survey Team Unit activities and providing guidance, instruction, direction, and leadership to Mumbai Branch Team for the purpose of achieving a key result or group of aligned results. She has good control over MIS, developing innovative ideas for faster conclusion of the claims and reducing TAT.
