6 years

BIOGRAPHY

Sambhav is an engineering & manufacturing industry – experienced loss adjuster having 12 years of professional experience. As he completed his engineering program, he started his career as a Graduate Engineer Trainee in Cadbury's Chocolate Manufacturing Unit. He entered loss adjusting field in 2017.

Prior to joining McLarens, he worked as a loss adjuster in Proclaim Insurance Surveyors, primarily focusing on fire, engineering and renewable energy related claims. Sambhav has worked with other Adjusters in India and handled various property, engineering, miscellaneous claims and Business Interruptions. He has also been involved in catastrophic losses like Cyclone Fani, Kolhapur Floods-2019, Cyclone Amphan, Cyclone Nisarga, Maharashtra Flood-2021 and other major catastrophic losses.

He joined McLarens in 2023 as Manager – Loss Adjuster. After joining, he has been responsible for handling claims under property, Engineering & construction, marine and casualty claims.
