BIOGRAPHY

Ajit has extensive experience within the aviation industry and joined McLarens Aviation from Kingfisher Airlines where he was Contracts and Insurance Manager. Prior to this, Ajit served in the Indian Navy as a Commissioned Officer, out of which nearly 18 years he served as a Technical Naval Aviator. During this time, he gained experience in areas such as aircraft accident investigation, risk management procedures, maintenance and repair. Since 2008, Ajit has handled numerous airline losses on behalf of London and local reinsurance market in India, Nepal, The Maldives and the South Asia region. Ajit is based in Bangalore, India.
