## Hong Kong

McLarens Hong Kong was the first McLarens office in Asia. We have been a leading international adjuster for more than 30 years. We provide comprehensive claims management services in engineering, property, casualty and marine lines, along with niche specialisms in healthcare management and forensic accounting. Our business is founded on strong technical skills, good management and a results-driven workforce.

Our strong team of full-time experienced professionals brings to bear a wealth of qualifications in insurance, loss adjusting, engineering, law, nursing and dispute resolution.

We continue to invest in our world class IT infrastructure, robust risk management framework and advanced data analysis capability. These, together with workflow processes that adhere to stringent KPI standards, combine in a business that offers insurers and other clients the best in claims handling services.

Our specialities in Hong Kong include:

- Property
- Casualty
- Construction & Engineering
- Marine & Transportation
- Healthcare Management
- Forensic Accounting
