BIOGRAPHY

Geoff is a qualified aircraft maintenance engineer with experience as a manager in aircraft maintenance facilities. Geoff has experience in scheduled maintenance and structural rebuilds and modifications of a wide range of aircraft types from single engine and small helicopters to business jets and commuter aircraft. Since joining McLarens Aviation in 1998 Geoff has progressed to become Manager of the Australian office followed by an appointment to Regional Manager – Australasia in 2015. He has managed claims on a wide range of aircraft types from light aircraft and helicopters to large jets.
