BIOGRAPHY

Kevin has more than 35 years in the Australian and overseas aviation industry with extensive experience in General Aviation and Transport category aircraft. He is licenced on a wide range of composite, wood, fabric and metal aircraft, he is a Qualified Auditor and a recreational pilot rated on a range of single and twin engine types. Located in Brisbane, Kevin is responsible of the Queensland area. Prior to joining McLarens Aviation, Kevin held a number of supervisory positions both in Australia and Asia for a number of operators including Susi Air in Indonesia. More recently he was also Regional Sales Director for a company promoting the re-engineering PT6 powered aircraft and introduced and flew the first diesel powered civil aircraft in Australia.
