Electronic Engineering

### ADJUSTER EXPERIENCE

13 years

### BIOGRAPHY

Chris joined McLarens Aviation after 9 years with Cathay Pacific, during which she held different technical roles within engineering. She started with Technical Services and moved over to look after Cathay's Boeing 777 fleet in the Fleet Support Team. Later on, she's appointed as the project manager for the operators connectivity retrofit program in the Cabin Programmes Team. Chris holds a Bachelor's Degree in Science from Fudan University and a Master's Degree in Engineering from the University of Hong Kong. She also obtained the HKAR-66 B2\* and EASA B1 license through self-study and the CASA Part-61 private pilot license during her time with the airline. In addition to English, Chris is also fluent in Cantonese, Mandarin and Japanese.
