

South Korea

McLarens is trusted by clients worldwide to deliver the best in claims management, from loss adjusting and auditing services to pre-risk and damage surveying. Throughout our extensive global presence, our reputation for quality is built on the expertise and local knowledge of our stable team of loss adjusters, each directed by market leading figures.

McLarens Korea has been responding to both local and international clients for the past 20 years. The office is dedicated to providing quality service to the local insurance market including brokers, cedants and international reinsurers.

Our team of experienced local and international adjusters are able to manage major and complex losses in the petrochemical industry, engineering sector, power and energy field, construction projects and manufacturing sector. Our adjusting team is also able to provide quick and efficient catastrophe management response to the various natural disasters that affect the region.

Our specialities in South Korea include:

- Property
- Casualty
- Construction & Engineering
- Manufacturing
- Petrochemical
- Energy
- Technology
- Catastrophe Response
