BIOGRAPHY

Jesus Montijo began working with McLarens in 2022 as a Regional General Adjuster based in Southern California, handling first party property and liability claims.

Jesus began his career in the insurance industry in 2001, where he worked in San Diego as a senior claims adjuster/investigator, handling files throughout the Southwest as well as into Mexico. In 2012 Jesus took a position as a property damage estimator, where he desk-reviewed property damage appraisals, and prepared any necessary supplemental payments.

In 2013 Jesus was hired to work as a senior field adjuster and investigator for a major provider, where he primarily handled Arising Out of Employment/Course of Employment investigations. Jesus next worked as a Managing General Adjuster and Claims Supervisor, handling first party commercial property, commercial general liability, casualty, and homeowner's property claims.

Jesus was then hired as a Senior General Adjuster in 2018 by Sedgwick, where he continued to work handling first party property commercial general liability, casualty, and homeowner's property claims.

Throughout his career Jesus has relied on providing the utmost customer service to his clients and used his exemplary communication skills along the way to achieve those goals.
