BIOGRAPHY

Nick spent the first 10 years of his insurance career with a large personal lines carrier in numerous capacities. He gained valuable experience in liability investigation, auto damage estimating, auto total loss evaluation, auto appraisal, commercial auto, and catastrophe claims. Throughout his prior career, he held numerous management positions, gaining experience in human resources, training, process improvement, new business integration, software development, and acquisitions.

At McLarens, Nick has transitioned his wide range of claims experience into third party claims administration/claims management for specialty markets, liability casualty loss management, and litigation management.

Nick has experience in programs focused on non-owner occupied real estate investment property, lien holder (forced) placed coverage, premise liability, and commercial auto.
