BIOGRAPHY

Alain began his career in the insurance industry in 2013 with a leading company, Intact, where he quickly developed a passion for making a positive impact in people's lives by assisting them during times of crisis. With over a decade of experience in handling various national claims, he has gained extensive expertise in P&C claims. Over the years, he has specialized in Complex CGL and E&O claims.

Additionally, Alain possesses essential knowledge and experience in real estate and municipality losses, particularly in managing complex title insurance claims. On the legal front, he has acquired in-depth understanding of the civil code of Quebec related to insurance law and real estate matters. Alain is fully bilingual and is recognized for his sincere approach and exceptional customer service skills. With a background in management and accounting, he leverages these skills for effective problem-solving, decision-making, and self-management. For Alain, being a claims adjuster is not just a job; it is a passion.
