Construction & Engineering

ADDITIONAL EXPERTISE

Employers, Pollution, Public &
Product Liability (Transit & Rail)

ADJUSTER EXPERIENCE

37 years

BIOGRAPHY

Graham joined McLarens in 2008, having worked in the loss adjusting profession since 1991, initially as a general adjuster handling a wide range of claims before specialising in liability. He has considerable experience relative to the handling and negotiation of all classes of liability claims, calling on a strong technical background in the handling of employers and public and product liability claims in the UK and across Europe. His particular areas of expertise include pollution and construction.
