ADDITIONAL EXPERTISE

William has been working in the insurance field with different roles, including marketing and underwriting. He likes to interact with people, enjoys building relationship, identifying the needs of people and offering assistance when facing with difficult times. He also can use his underwriting experience to help in better interpretation of policy wordings and understanding of underwriting intentions.

ADJUSTER EXPERIENCE

36 years

BIOGRAPHY

Before joining McLarens Canada, William has over 30 years of working experience in the insurance field. He held various senior positions in underwriting and claims areas. He worked as a Head of Claims for different insurance companies for over 20 years. Before that, he had 8 years working experience as staff adjuster and telephone adjuster handling home, auto, property and casualty claims.

William has FCIP and FCII designations with strong knowledge in handling commercial property and casualty claims. He graduated at York University with Bachelor Degree of Business Administrative Studies (Honors). He is happy to help people during challenging times and look forward to using his competences to handle claims for customers professionally and in prompt, fair and reasonable manner.
