BIOGRAPHY

Dwight began his career in the insurance industry by working as a Claim Specialist with Farmers Insurance in Georgia. During his 16 years of experience with Farmers, Dwight built up an extensive knowledge of property claims. This included handling CAT claims across multiple states, including five deployments for hurricanes.

With his substantial background of handling property claims, Dwight next transitioned to being a Claims Supervisor with Hastings Mutual Insurance, overseeing a team of adjusters handling home, commercial, and farm claims. After several years with Hastings, Dwight became a manager at Auto Club Group, again responsible for a team of adjusters handling home property claims.

During his adjuster career Dwight has excelled at providing excellent customer service.
