BIOGRAPHY

Jason joined McLarens in 2022 as a National General Adjuster. He is responsible for handling mid-market commercial claims and assisting on market large loss commercial claims on a national level. Prior to McLarens, Jason spent time working as an adjuster for Sedgwick and Hawkeye Advisors, handling losses including those from hurricanes and fires.

Jason had previously spent 25 years working in finance for large banks and broker dealers, trading millions of dollars in risk daily for institutional clients and the firm's accounts. After a successful career in finance, Jason brought his unique skill set to the insurance world.
