BIOGRAPHY

Johanna started her career in 2006 with Farmers Insurance where she received extensive training with two lines of business- liability, and residential property as a catastrophe adjuster. She has experience with coverage, investigation, and building damage estimating. While working catastrophe claims was deployed to various hurricane losses throughout the US.

Joined McLarens in June 2014 and has handled a variety of claims including commercial liability and property losses, public entity first party claims, TPA claims, business interruption, losses with multiple insurers, Marine air and cargo, General Average, and assisted with large CAT losses. She is licensed in multiple states throughout the country.
